## ACCELERATING TOWARDS A CLEANER ENERGY FUTURE: MINE TO CONSUMER

# 3

A developing program initiated in partnership with Rocky Mountain Institute, with foundation funding from a leading mining company.

The Future Energy Roadmap is exploring new business models and energy supply options to meet future energy needs for the prosperity and development of both mines and communities.

DPI'S FUTURE ENERGY PROGRAM WILL FOCUS ON ENGAGED MINE REGIONS ACROSS THE WORLD SUCH AS:

**AUSTRALIA**  
**CANADA**  
**CHILE**  
**SOUTH AFRICA**

**Join us!**

IF YOU'RE LOOKING TO JOIN THE CONVERSATION ON MINING AND THE ENERGY TRANSITION, WE'D LOVE TO HEAR FROM YOU! EMAIL [LAIZA@DPIMINING.ORG](mailto:LAIZA@DPIMINING.ORG) TO FIND OUT MORE.
